

Designers and Developers Needed! WeCodeAcademy Hackathon

ATLANTA, GEORGIA, January 20, 2015 | Camrose Creative Services | — Have you built a few apps? Are you a website designer? Are you a developer? Can you code? If you answered yes to any of these questions, we would like to invite you to share your skills at our upcoming **WeCodeAcademy Hackathon**.

Middle and high school students in southwest Atlanta have something fun, innovative and technologically-advanced coming to their community! It is WeCodeAcademy Hackathon and After-School Program. The organization is kicking off the launch of their **WeCodeAcademy After-School Program** with a two-day hackathon, **Saturday and Sunday, February 21-22, 2015**, at the Crowne Plaza Atlanta Airport, 1325 Virginia Avenue, Atlanta, GA 30344.

Teams will form with mentors, current Therrell High School students, middle school students who will matriculate to Therrell, as well as youth from southwest Atlanta. Over two days, **WeCodeAcademy Hackathon** will watch teams compete for prizes and awards as they concept and build apps that can change the world, one idea at a time!

You have been blessed with excellent talents. Register today and share your coding skills with youth – our future!
